August 21, 2020

PRESENTATIONS

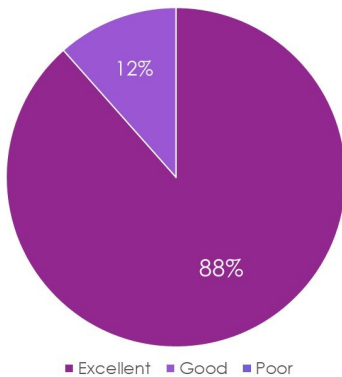

'Cancer Survivorship in LGBTQ Communities'
Charles Kaman, MPH, PhD

'Financial Toxicity'
Teresa Hagan Thomas, RN, PhD

% Who 'Agreed' or 'Strongly Agreed'

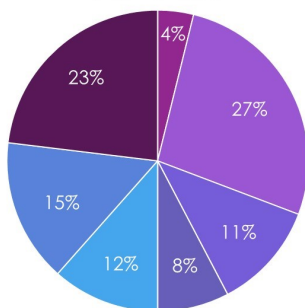

How would you rate the overall quality of the Evidence Academy?

COMMENTS

- "Very informative. The speakers had great presentations, and answered all questions. The topics were very relatable in the current climate."
- "I really enjoyed the virtual format."
- "It would be good to have more knowledge about the resources available to assist - especially now as many of my 'go to' organizations have taken significant financial hits due to Covid. "
