

Reducing the impact of cancer in our communities

ANNUAL REPORT

JULY 2019 - JUNE 2020

SCCANCER.ORG

INFO@SCCANCER.ORG

The mission of the South Carolina Cancer Alliance is to reduce the impact of cancer on all South Carolinians.

OUR CALL TO ACTION

280,890

CANCER SURVIVORS

in South Carolina *

OUR MISSION

**The mission of the South Carolina Cancer Alliance
is to reduce the impact of cancer on
all South Carolinians.**

*Estimated Numbers of Cancer Survivors by State as of January 1, 2019, American Cancer Society

HIGHLIGHTS AND ACCOMPLISHMENTS

Community Initiatives

The Alliance invested over \$40,000 to improve health equity in our state. These funding opportunities addressed the recommendations outlined in the Cancer in African American Men in South Carolina - Action Plan.

For a complete listing of the Health Equity Project grant recipients, email info@sccancer.org

Cancer and COVID-19 Presentation Series

The Alliance offered a presentation series to explore the impact of the coronavirus on cancer patients. Cancer care experts had the opportunity to discuss some of the most pressing issues regarding caring for patients during a pandemic.

To view the presentations, visit <https://www.sccancer.org/events/>

Virtual Survivorship Evidence Academy

The Alliance hosted our first-ever Virtual Survivorship Evidence Academy. CME credits were available to the attendees.

To view the presentations, visit <https://www.sccancer.org/events/>

HPV DAY AT THE STATEHOUSE

The Alliance hosted HPV Day at the Statehouse on March 4, 2020. During this event, the Alliance educated legislators on the importance of HPV vaccination and conducted an HPV leadership roundtable.

Also, we continued to promote the social media campaign, HPV Vaccination NOW: This Is Our Moment.
