

PEDIATRIC CANCER WORKSHOP

MAY 21, 2022

OVERALL EVENT RATED 4.89 OUT OF 5 STARS

Participants were a mix of:

Parents

Cancer survivors

They drove an average of 117 miles to attend!

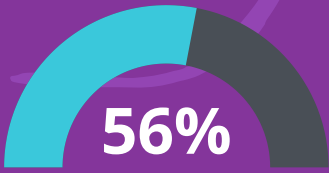

And this many thought that:

The event was well organized.

Presenters were prepared.

Event stayed on time and on track.

Visual aids were helpful.

Topics were relevant.

The panel discussion was useful.

Feedback and Suggestions

Have this virtual so more families can attend

SC Cancer Alliance did a great job presenting information for parents, organizations to advocate for the children with cancer. Education, advocates, theory assessments were great.

Share more broadly.

Record the content. Critical for cancer parents.
