LIVING WITH CANCER

What is one thing (or more) you learned or enjoyed hearing about at today's event that you did not previously know?

- Ability to have the organization come meet to dispense information
- Tell everyone to get treated

Is there anything you learned that you could use to implement change in your practice/work/research?

- Low dose screening was important to know

Do you have any suggestions or comments?

- Audio visual aids
- More information on cancer
- Some visual aids
- The event was very informative and the speakers knew exactly what to express. She was powerful. The young man most definitely knew a lot
- Stress men's health
