### **What is one thing (or more) you learned or enjoyed hearing about at today's event?**

---

- Testimonial from participant. I learned new information about what is provided by N. Central Medical Center
- I learned about how prevalent prostate cancer is among black men
- A reminder of the importance of prostate screening
- The new office on Saluda St
- About the testing
- Everything
- Statistics and opportunities

### **Any additional comments, questions, or concerns?**

---

- I really appreciate this outreach initiative. It was very informative and encouraging
- I will continue to be an advocate of promoting men's cancer
