Of participants were extremely satisfied with this event

Of participants strongly agreed with the following statement: The information provided during this event was useful and relevant to me

Of participants strongly agreed with the following statement: The speakers were knowledgeable and kept me engaged throughout the event

Of participants strongly agreed with the following statement: Attending this event increased my knowledge of the topic

Of participants strongly agreed with the following statement: The event provided resources and tools that I found useful

Of participants strongly agreed with the following statement: I intend to use the information I learned from this event

What is one thing (or more) you learned or enjoyed hearing about at today's event?

- Nutritional information was great
- Nutrition support and financial advice
- Facts on nutrition. Finding out you can get free medicine even if you are insured
- Nutritional tips
- The nutrition handouts were very helpful. Loved the restaurant choice. Speakers were knowledgeable

Any additional comments, questions, or concerns?

- All speakers were well spoken and friendly
- Perhaps listing a phone number for an option for registration? Many patients aren't tech savvy and shy away from computer registration
- If we arrange another one in the future, it could be helpful to include phone registration - wish we had thought of this sooner!
