

2026 SC CANCER ALLIANCE ANNUAL MEETING

The Next Chapter: Introducing South Carolina's Cancer Plan

Thursday, September 17, 2026

Join healthcare professionals, community leaders, cancer survivors, advocates, and partners from across South Carolina for the **SC Cancer Alliance's 2026 Annual Meeting**.

This year's event will mark an important milestone as we unveil the next iteration of the **South Carolina Cancer Plan**, setting the direction for the future of cancer prevention, early detection, and survivorship across our state.

Together, we will reflect on the progress made, share insights from across our communities, and build momentum for the work ahead to reduce the burden of cancer for every South Carolinian.
